## INDEPENDENT AUDITORS' REPORT

The Executive Committee of  
The Ethics and Religious Liberty Commission  
of the Southern Baptist Convention  
Nashville, Tennessee

We have audited the accompanying financial statements of The Ethics and Religious Liberty Commission of the Southern Baptist Convention, which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The Executive Committee of  
The Ethics and Religious Liberty Commission  
of the Southern Baptist Convention  
Nashville, Tennessee

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Ethics and Religious Liberty Commission of the Southern Baptist Convention as of September 30, 2020, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Notes to Financial Statements

September 30, 2020

1. NATURE OF ORGANIZATION:

The Ethics and Religious Liberty Commission of the Southern Baptist Convention (the Commission) was incorporated in 1947 as a Tennessee not-for-profit corporation and is exempt from federal income tax on related activities under Section 501(c)(3) of the Internal Revenue Code (the Code) and comparable State law. The Commission operates under the auspices of the Southern Baptist Convention (SBC). The Commission is classified as a publicly supported organization, which is not a private foundation under Section 509(a)(1) of the Code, and contributions to it are tax deductible within the limitations prescribed by the Code.

The Commission exists to assist churches by helping them understand the moral demands of the gospel, apply Christian principles to moral and social problems and questions of public policy, and to promote religious liberty in cooperation with the churches and other Southern Baptist entities. The Organization's primary revenue source is contributions from the SBC Cooperative Program and other donors.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

### USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash held in checking, savings, money market accounts, and all other highly liquid accounts with original maturities of less than 90 days. The Commission maintains its cash and cash equivalents with high credit, quality financial institutions, which, at times, may exceed federally insured limits. The Commission has not experienced any losses in such accounts, and management believes it is not exposed to any significant credit risk on cash and cash equivalents. At September 30, 2020, the Commission's cash balances exceeded federally insured limits by \$1,076,314.

## Notes to Financial Statements

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

#### ACCOUNTS RECEIVABLE

Accounts receivable consists primarily of amounts due the Commission for expense refunds and sponsorship commitments for services performed. Accounts receivable become past due when they exceed their contractual due dates, usually 30 to 90 days. The Commission does not assess finance charges against accounts receivable that are past due. As of September 30, 2020, an allowance for doubtful accounts receivable has not been recorded as management has determined that substantially all accounts receivable are fully collectible. Subsequent to the date of these financial statements, all accounts receivable recorded in the statement of financial position have been paid in full.

#### INVESTMENTS

Investments consist entirely of an invested interest in the Southern Baptist Foundation (SBF) common funds, which are carried at the fair market value of the underlying investments. Income on these investments is included in the change in net assets.

#### PROPERTY AND EQUIPMENT—NET

Items capitalized as property and equipment are stated at cost or, if donated, at market value on the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, ranging from three to 40 years. Repairs and maintenance and small equipment purchases are expensed as incurred. Expenditures that significantly increase asset value or extend useful lives are capitalized. Acquisitions of property and equipment in excess of \$3,000 that meet the capitalization requirements are capitalized. Upon retirement, sale or other disposition of property and equipment, the cost and accumulated depreciation are eliminated from the accounts and gains or losses are included on the statement of activities.

#### CLASSES OF NET ASSETS

The financial statements report amounts separately by class of net assets:

*Net assets without donor restrictions* are currently available at the discretion of the trustees of the Commission for use in operations, designated by the trustees of the Commission for other specific projects determined by the board, or invested in property and equipment net of accumulated depreciation.

*Net assets with donor restrictions* are stipulated by donors for specific operating purposes or programs, with time restrictions, or not currently available for use until commitments regarding their use have been fulfilled.

All contributions are considered available for use without restriction unless specifically restricted by the donor or subject to other legal restrictions.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

#### SUPPORT AND REVENUE, RECLASSIFICATIONS, AND EXPENSES

Contributions are recognized when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give—that is, those with a measurable performance or other barrier and a right of return—are not recognized until the conditions on which they depend have been met.

The Commission recognizes revenue from events during the year in which the related events are held. The performance obligation of delivering events is simultaneously received and consumed by the attendees. All amounts received prior to the commencement of the event are deferred to the applicable period. Substantially all deferred revenue at September 30, 2019 was recognized during the following year. All other exchange revenue is recognized when earned.

The Commission reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated amounts. When a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as reclassifications.

The Commission reports gifts of land, buildings, and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash and other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Commission reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donated goods (including securities) are recorded at fair value at the date of the gift.

Expenses are reported when costs are incurred in accordance with the accrual basis of accounting. The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of the Commission. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. These expenses include salaries and benefits. Salaries and benefits have been allocated based on the programmatic purpose of the employee incurring the expense.

#### CONCENTRATIONS

The Commission receives a substantial amount of support from the SBC. A significant reduction in the level of this support, if this were to occur, may have a significant affect on the Commission. The organizational implications of these concentrations are recognized by the Commission.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

#### RECENTLY ISSUED ACCOUNTING STANDARDS

In 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers*. The Commission adopted the provisions of this new standard during the year ended September 30, 2020. The new standard applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. Analysis of various provisions of this standard resulted in no changes in the way that the Commission recognizes revenue, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis. Adoption of this standard had no effect on change in net assets or net assets in total.

In 2018, FASB issued ASU No. 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The Commission adopted the provisions of this new standard during the year ended September 30, 2020. The new standard clarifies and improves current guidance about whether a transfer of assets (or the reduction, settlement, or cancellation of liabilities) is a contribution or an exchange transaction. Adoption of this standard had no effect on change in net assets or net assets in total.

In 2017, FASB issued ASU No. 2017-07, *Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit Cost*. The Commission adopted the provisions of this new standard during the year ended September 30, 2020. Adoption of this standard had no effect on change in net assets or net assets in total.

### 3. LIQUIDITY AND FUNDS AVAILABLE:

The following reflects the Commission's financial assets as of September 30, 2020, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid or not convertible to cash within one year. The Commission considers general expenditures to be all expenditures related to its ongoing activities to achieve its vision as well as the conduct of services undertaken to support those activities to be general expenditures.

#### Financial assets:

Cash and cash equivalents	\$ 1,395,744
Accounts receivable	50,000
Investments	1,338,511
Financial assets available to meet cash needs for general expenditures within one year	<u><u>\$ 2,784,255</u></u>

# THE ETHICS AND RELIGIOUS LIBERTY COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

## Notes to Financial Statements

September 30, 2020

3. LIQUIDITY AND FUNDS AVAILABLE, continued:

As part of the Commission's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Commission has \$606,410 in net assets with donor restrictions for various project support. These funds are considered available to meet needs for general expenditures within one year.

4. PROPERTY AND EQUIPMENT—NET:

Property and equipment—net, consist of:

Leasehold improvements	\$ 337,687
Building and improvements	955,730
Furniture and equipment	1,145,326
	2,438,743
Less accumulated depreciation	(1,860,148)
	\$ 578,595

5. FAIR VALUE MEASUREMENTS:

The *Fair Value* topic of the FASB ASC establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Commission uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Commission measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 and Level 2 inputs were not available.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statement of financial position measured at fair value on a recurring basis and the level within the fair value hierarchy at September 30, 2020:

	September 30, 2020			
	Total	(Level 1)	(Level 2)	(Level 3)
Investments, at fair value:				
Interest in common funds of the SBF	\$ 1,338,511	\$ -	\$ 1,338,511	\$ -
	\$ 1,338,511	\$ -	\$ 1,338,511	\$ -

# THE ETHICS AND RELIGIOUS LIBERTY COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

## Notes to Financial Statements

September 30, 2020

5. FAIR VALUE MEASUREMENTS, continued:

Valuation techniques used by the Commission in estimating fair value are as follows:

*Interest in common funds of the SBF*—The common funds of the SBF consisted of an equity fund, income fund, flexible income fund, and short-term money market fund as of September 30, 2020. The equity fund is made up of various publicly traded equity securities. The income fund and flexible income fund are both made up of U.S. Treasury obligations and high quality corporate bonds. The short-term money market fund consists of certificates of deposit, corporate bonds, and money market funds meant to provide liquidity. The value of investments in common funds are based on the value of the Commission's per share interest in the pooled fund as reported by the SBF. The Commission is able to redeem its investment in the pool at the reporting date.

*Changes in valuation techniques*—None.

6. EMPLOYEE BENEFIT OBLIGATIONS:

DEFINED CONTRIBUTION PLAN

The Commission participates in the retirement program of GuideStone Financial Resources of the SBC. The plan is a 403(b)(9) defined contribution plan, not subject to the Employee Retirement Income Security Act of 1974 (ERISA), providing a contribution-matching contribution to its employees. Employer contribution to the plan for the year ended September 30, 2020, was \$146,864.

DEFINED BENEFIT PLAN

Under a separate program, the Commission also provides certain retirement gift and Christmas bonus benefits for all retired employees that meet certain eligibility requirements which qualifies as a defined benefit plan (the Plan). In 2017, the executive committee of the Commission froze the plan to any additional participants. The defined benefit plan's current and future benefits are funded by net assets without donor restrictions. The status of the benefit obligations of the program at September 30, 2020 are as follows:

A summary of the postretirement benefit obligation is as follows:

Retired participants	\$ 407,931
Active fully eligible participants	-
Active other participants	-

Democracy Fund	50,000
Artificial Intelligence	49,254
Stand for Life	9,389
International Efforts	420
	\$ 606,410

8. RELATED PARTIES:

Substantial assistance is received from the SBC. The Commission is an independent organization, but acts under the auspices of the SBC. Total Cooperative Program contributions from the SBC were \$3,182,864 for the year ending September 30, 2020. Total other contributions from the SBC were \$9,080 for the year ending September 30, 2020.

# THE ETHICS AND RELIGIOUS LIBERTY COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

## Notes to Financial Statements

September 30, 2020

8. RELATED PARTIES, continued:

The Commission occupies office facilities on the 5th floor of the SBC Building at 901 Commerce Street in Nashville, TN for which no rent is charged to the Commission. Title is held by the Executive Committee of the SBC as “trustee for the beneficial use of the Ethics and Religious Liberty Commission of the Southern Baptist Convention” and for the other entities occupying the premises. The Commission has capitalized improvements to the facilities and recorded these as leasehold improvements (see Note 4).

9. RISKS AND UNCERTAINTIES:

In March 2020, the World Health Organization declared the outbreak of the coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to significant declines and volatility in financial markets. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Commission for future periods. Management is carefully monitoring the situation and evaluating its options as circumstances evolve. As part of the response to the impact of COVID-19, the Commission applied for a PPP Loan, administered by the Small Business Administration (SBA), under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, which was signed into law in March 2020. The Commission was approved for a loan in the amount of \$395,652. For the year ended September 30, 2020, in accordance with FASB ASC 958-605, the Commission has simultaneously recognized a noncash contribution with donor restrictions and a release for same amount in the accompanying statement of activities and recognized the proceeds as a refundable advance in the accompanying statement of cash flows. Based on the provisions included in the CARES Act, the loan agreement provides for loan forgiveness up to the full amount of the loan provided the Commission overcomes (meets) certain loan stipulations.

10. SUBSEQUENT EVENTS:

Subsequent to September 30, 2020, the Commission was notified that they had received full forgiveness of the PPP Loan by the SBA (see Note 9).

Subsequent events have been evaluated through December 11, 2020, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.

## **SUPPLEMENTARY INFORMATION**

**INDEPENDENT AUDITORS' REPORT  
ON SUPPLEMENTARY INFORMATION**

The Executive Committee of  
The Ethics and Religious Liberty Commission  
of the Southern Baptist Convention  
Nashville, Tennessee

We have audited the financial statements of The Ethics and Religious Liberty Commission of the Southern Baptist Convention as of and for the year ended September 30, 2020, and our report thereon dated December 11, 2020, which expressed an unmodified opinion on those financial statements, appears on page 1. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of support, revenue, and expenses—compared to budget and the schedule of contributions without donor restrictions receipts by state (the information), which is the responsibility of management, are presented for purposes of additional analysis and is not a required part of the financial statements. Such information, except for that portion marked “unaudited,” was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. That information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, that information is fairly stated in all material respects in relation to the financial statements as a whole. The information marked “unaudited” has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.
